

JUNCTION DENTAL PLAN

Joining the Junction Dental Plan enables you to budget for your personal dental care. We offer two options in Junction Dental Plan **GOLD** and **PLATINUM**. Your dentist will talk to you about your dental needs and discuss which plan will suit best.

GOLD: £10.99 (pcm)

This option allows you to benefit from treatment at a discounted rate (initial joining fee of £12).

PLATINUM: £19.99 (pcm)

This option includes two dental examinations and two hygienist appointments annually. It also includes all x-rays taken at the practice and any treatment required at a discounted rate of approximately 25% (initial joining fee of £12).

HOW TO JOIN

Paying for your membership

Paying for your membership is easy by monthly direct debit from your bank or building society. Just complete a direct debit mandate and tell us when you would like payments to start. Payments will usually be debited on the first day of each month. The practice reserves the right to cancel a patient's enrolment if payment is more than one month overdue.

The cost of all our plans will be reviewed at the beginning of every year and you will be notified. These charges will apply from the following 1st April.

Leaving the Scheme

We hope that once you have enrolled you will continue to participate in the scheme throughout your time as a patient of our practice. On joining you are committing to being a member of the plan for 12 months after which you may choose to continue.

JUNCTION DENTAL CHILDREN'S PLAN

Junction Dental firmly believes in instilling excellent oral health and habits from a young age and with this in mind we have created the Children's Plan.

The Children's Plan will include six monthly dental examinations and fluoride application as recommended by national guidelines. It will also include all restorative treatments including fillings and extractions on deciduous teeth (first teeth) but NOT on adult or permanent teeth.

Children can enrol as an addition on their parents or grandparents membership.

**Monthly cost of each child: £3.99
(maximum age 16)**
